NPIRS® is a registered trademark of the National Pesticide Information Retrieval System. © 1998-2017, Purdue University. All Rights Reserved.

By searching the NPIRS websites, you agree to be bound by the terms and conditions set forth in our [Terms of Use](#) policy.

When searching federal registration data, the States Registered information is based upon the primary EPA registration number. Refer to the state-specific database for individual product brand name designations and/or distributor registration information.

The NPIRS website contains information pertaining to pesticides either currently or previously licensed for distribution and sale in the United States and is provided for informational purposes only. Information derived from this website does not constitute a label replacement or a recommendation. Before applying any pesticide, applicators must determine if the product under consideration is correct for the intended use site. Always check the container/package label to determine if the intended use site is included on the label. **READ AND FOLLOW LABEL INSTRUCTIONS BEFORE USING ANY PESTICIDE PRODUCT.**
